5. ROUTINE BUSINESS

Adopt-a-Street Cigarette Butler

- Adopt-a-Street: Several groups did not renew their contracts and need to have their signs removed from the streets.
- Cigarette Butler: Dee C. reports she has not made it out, but would like to get out to check them. If anyone would like to help, let her know to schedule. Lindsey is going to look into new stickers on the cigarette butlers with a new logo.
- KMB members need updated shirts with the new logos
- Next Earth Day is April 26, 2025

6. OLD BUSINESS

7. NEW BUSINESS

Earth Day Review

Earth Day Review

- Earth Day was a success. Attendance is estimated to be around 680 participants during the four-hour event. Discussion about sending survey to participants of the event as a way to get feedback and send a save the date for next year. Rain barrels were beautiful this year, look into compost barrel painting in the future to mix it up?
- Request for new H2Owen costume and connecting with a photography class to assist with H2Owen photo opportunities or a backdrop at events for people to pose with.
- Dee suggested rain barrels at other times - maybe an online auction. 680 was last count of attendance
- Takeaways - advertising was very effective this year. Kristine D. suggested sending a survey to participants.
- Other ideas: Dee suggested something be done with flags, maybe a flag that has been flown over the capital being raised on our flagpole during the event
- Stacy saw something about upcycle/recycle appliances
-

Texas Recycles Day and Service Center Open House

- From Lindsey - November 15 Texas recycles Day and 10th anniversary of Chris Burkett Service Center being built. Discussed a possible Mansfield clothes closet donation day or a meet KMB and small appliance upcycle. Dee suggested possible additional presentations - one on composting? Lisa suggested looking into compost barrel painting similar to rain barrels.

Future Art Contest

- Members of KMB are interested in a art contest on electric/signal boxes that are found on the side of roads. Lindsey is doing research into this.
- Idea from Keep Irving Beautiful - they go out and paint handrails. Richardson paints electric boxes.

Summer break until Sept. meeting.
